1

TEKS 5.6F

Read the passage. The captain gripped the wheel as waves crashed over the bow. His crew looked to him for guidance, but even he wasn't sure they would make it through the storm. Still, he kept his voice steady and gave orders calmly. What can the reader infer about the captain?

- A) He is inexperienced and unsure of himself.
- B) He is a strong leader who stays calm under pressure.
- C) He does not care about his crew.
- D) He wants to turn the ship around.

Work Space

2

TEKS 5.11D

Which sentence correctly uses a subordinating conjunction?

- A) Although it was late we decided to keep working.
- B) Although it was late, we decided to keep working.
- C) It was late, although we decided to keep working.
- D) We decided although it was late to keep working.

Work Space

3

TEKS 5.7F

Read the sentence. The legislation was met with widespread opposition from citizens who felt it infringed on their rights. What does the word infringed mean in this sentence?

- A) Protected
- B) Violated or encroached upon
- C) Supported
- D) Ignored completely

Work Space

4

TEKS 5.9D

Read the passage. Photosynthesis is the process by which plants convert sunlight into food. Chlorophyll in the leaves absorbs light energy. The plant then uses this energy, along with carbon dioxide and water, to produce glucose and oxygen. What is the main idea of this passage?

- A) Plants have green leaves.
- B) Photosynthesis is the process plants use to make food from sunlight.
- C) Oxygen is important for humans.
- D) Carbon dioxide is a gas.

TEKS 5.10C

Read the sentence. Hope is the thing with feathers that perches in the soul. This sentence is an example of —

- A) A simile
- B) A metaphor
- C) Hyperbole
- D) An idiom

Work Space

2

TEKS 5.11D

Read the sentence. The team have been practicing since August, and their hard work has paid off. Which is the correct revision?

- A) The team has been practicing since August, and their hard work has paid off.
- B) The team have been practicing since August, and its hard work have paid off.
- C) The team has been practicing since August, and they're hard work has paid off.
- D) The team having been practicing since August and their hard work paid off.

Work Space

3

TEKS 5.6F

Read the passage. Maya stared at the acceptance letter, reading it three times to make sure it was real. She had applied to the Young Writers Program on a whim, never expecting to be selected. Her hands shook as she called her mother. How does Maya feel?

- A) Disappointed that she got in
- B) Shocked and thrilled
- C) Indifferent about the news
- D) Angry at the program

Work Space

4

TEKS 5.10A

Read the passage. Renewable energy sources like solar and wind power do not produce greenhouse gases. Fossil fuels such as coal and oil release carbon dioxide when burned. While renewable energy is becoming cheaper, fossil fuels still provide most of the world's electricity. What text structure does the author use?

Renewable Energy	Fossil Fuels
• No greenhouse gases • Increasing demand • Cheap and clean	• Release CO2 • Old technology • Cheap and dirty

- A) Sequence
- B) Problem and solution
- C) Compare and contrast
- D) Cause and effect

Work Space

TEKS 5.9D

Read the passage. Climate change is causing glaciers to melt at an alarming rate. As glaciers shrink, sea levels rise, threatening coastal cities around the world. Scientists predict that if current trends continue, some island nations could be completely underwater within the next century. Which detail best supports the urgency of the issue?

Climate Change Effect	Impact
Glaciers melting	Sea levels rise
Rising seas	Coastal cities threatened
Continued trends	Island nations underwater
Timeline	Within next century

- A) Glaciers are made of ice.
- B) Some island nations could be completely underwater within the next century.
- C) Scientists study climate change.
- D) Coastal cities are near the ocean.

2

TEKS 5.7C

Read the passage. The soldier wrote in his diary every night. Through his words, we see the war not through grand battles and political strategy, but through the small, human moments — sharing a meal with a friend, writing a letter home, watching the sunset from a trench. What is the author's purpose in sharing the soldier's diary?

- A) To glorify war
- B) To present the human, personal side of war
- C) To argue against writing diaries
- D) To describe military strategy
