1

TEKS 5.6F

Read the passage. The captain stared at the horizon, gripping the wheel with white knuckles. The crew exchanged nervous glances as the dark wall of clouds moved closer. Without a word, the captain turned the ship sharply to the south. What can the reader infer about the captain's decision?

- A) The captain is lost and unsure where to go. B) The captain is trying to avoid the approaching storm.
- C) The captain wants to explore a new island. D) The captain is heading home for the night.

2

TEKS 5.10D

Read the sentence. Time is money, so we cannot afford to waste a single minute on this project. What type of figurative language is used in the phrase "Time is money"?

- A) Simile B) Hyperbole
- C) Metaphor D) Personification

3

TEKS 5.9D

Read the passage. The Amazon Rainforest is often called "the lungs of the Earth." It produces about 20 percent of the world's oxygen. The rainforest is also home to more species of plants and animals than any other place on Earth. Scientists estimate that millions of species have yet to be discovered there. What is the main idea of this passage?

- A) Scientists work in the Amazon Rainforest. B) The Amazon Rainforest is vital to Earth and full of biodiversity.
- C) The Amazon Rainforest produces oxygen. D) There are many undiscovered species in the world.

4

TEKS 5.7C

Read the passage. Plastic bags take hundreds of years to decompose in landfills. They also harm ocean wildlife when they end up in the sea. Reusable bags are inexpensive, sturdy, and better for the environment. It is time for everyone to stop using plastic bags and switch to reusable ones. What is the author's purpose for writing this passage?

- A) To inform readers about how plastic is made B) To entertain readers with a story about shopping
- C) To persuade readers to use reusable bags D) To describe different types of bags

5

TEKS 5.7D

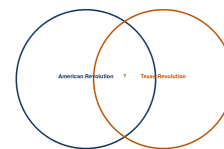

Read the passage. Before the invention of the printing press, books were copied by hand. This process took months or even years. When Johannes Gutenberg invented the printing press around 1440, books could be produced much more quickly. As a result, more people gained access to books, and literacy rates began to rise across Europe. What text structure does this passage primarily use?

- A) Compare and contrast B) Problem and solution

6

TEKS 5.9E

A student is organizing information about the similarities and differences between the American Revolution and the Texas Revolution. Look at the graphic organizer below. Which detail belongs in the center section?

- A) Fought against Great Britain B) Took place in the 1830s
- C) Fought for independence from a larger country D) Resulted in the creation of a republic that became

C) Cause and effect	D) Description	a U.S. state
---------------------	----------------	--------------

7

TEKS 5.6E

Read the passage. Sophia clutched the acceptance letter to her chest and let out a scream that echoed through the house. She sprinted downstairs, nearly tripping over the last step, and waved the letter at her parents. Her father's eyes widened, and her mother burst into tears. How do the characters most likely feel?

- A) Confused and worried B) Overjoyed and proud
C) Relieved but cautious D) Surprised and angry
